Susan Deliss

Criss Cross in Burnt Orange

SKU: FA-WE-CC-BO

Criss Cross has its origins in a hand woven wool fragment that Susan Deliss found among a pile of textiles in the Grand Bazaar in Istanbul. Although antique, it had a contemporary and original pattern that intrigued her.

Criss Cross is woven in England by a business that has been in the same family for over three centuries.

Details:
Composition: 60% Cotton 26% Viscose 9% Flax 5% Wool
Vertical repeat: 80cm / 31 1/2”
