Susan Deliss

Sprig in Red/Blue

SKU: FA-WE-SP-RB

Sprig is the result of a challenge that Susan set herself, namely to recreate the colour and finesse of a very fine and deceptively simple antique hand embroidered Balkan linen towel in her private collection in a weave suitable for contemporary use.

Sprig is woven in England by a business that has been in the same family for over three centuries.

Details:
Composition: 100% cotton
Vertical repeat: 31.5cm / 12 1/2”
Horizontal repeat: 15.2cm / 6”

Usable width: 52 1/2” / 133.5cm

Use:
Sprig is suitable for curtains, fabric walling, sofas, cushions, bed headboards, other upholstery.

Lead Time:
We generally keep good stock of all our fabrics. There may be an extended lead time for large orders.
